Chris,

I just talked with Bob Heilman and he will be available to meet with you and your team per your request on February 26 and until noon on the 27<sup>th</sup>. If this will work for you and your team, please let me know when you will be arriving in Dayton and I will put everything in motion for your visit.

I would also like to know what areas of technical publications as well as service, parts, and etc. that you are interested in for our Content Management Solution. This will help us in focusing our efforts and maximizing the time during your visit.

I look forward to hearing from you.

Hello Chris,

I hope all is well with you.

In lieu of a pesky phone call, I just wanted to send you a quick email to get an idea when you might be visiting us with your team to discuss a CMS solution.

Like you, my schedule is hectic at times and I just wanted to get a tentative idea when you might be visiting. That way I can clear my calendar for your visit.

Please let me know when you have the time.

Have a great week.

Best Regards,  
Dale
